P RODUCT PORTFOLIO

Hello!

DANEM GROUP is an established Company based in Dubai (UAE) with branch office in Saudi Arabia and we supply various products to end users and manufactures in our region, having extensive experience, Product knowledge and data base with global affiliates and partners, we supply and distribute various products which includes Raw Materials, Ingredients, Chemicals, Spare parts and all other products required for : Process Plant & Engineering, Survey, Railway, Marine, Power, Energy, Mining, Electro Mechanicals, Automation, Oil, Gas and Petro Chemicals Plants, Cement Plants, Agricultural, Milk, Dairy, Juice & Beverages, Food products, Bakery & Soft drink Industries etc

Equipment Parts Service Engineering

Low-voltage products and systems

From circuit breakers and busses to enclosures, panel boards, and switchboards, we offer a full range of safe, reliable solutions for low-voltage applications.

Building Automation & Control

Our innovative Building Management, Power Management Systems and Small Building Control products provide a strong foundation for intelligent buildings that inspire occupant productivity and deliver optimal energy and operational efficiency.

Automation and control solutions

Boxes, cabling and interface
Enclosures and accessories
Variable speed drives and Soft starters
HMI and industrial PC/Motor Starters
Contactors and Protection Components
PAC, PLC and dedicated controllers
Push buttons, switches, pilot lights and joysticks

Medium Voltage Distribution and Grid Automation Products

From medium voltage switchgear and transformers to energy automation, we deliver specific solutions for utilities, oil and gas, mining, data centers, and critical buildings, covering all power distribution needs for energy management.

Heating Ventilation Air Conditioning

Chiller
Condensers and Condensing Units
Dedicated Outside Air System
Indoor Packaged Equipment
Duct-Free Mini-Split Systems
Rooftop HVAC Units
Variable Refrigerant Flow Systems

PUMPS & MOTORS

Air Operated Double Diaphragm Pumps
Diaphragm Pumps
Peristaltic pumps
Damper
Drum pumps
Electromechanic Dosing Pumps
Mixers
Magnetic Driven Centrifugal Pumps
Basket Strainer
Centrifugal Pumps
Accessories

We are one of the prominent Electric Motors Importers, Suppliers and Exporters based in Dubai, UAE. The technologically advanced Electric Motor offered by us is sourced from reliable manufacturers and vendors, who guarantee superior quality and glitch free performance of our motors.

VALVES

Butterfly Valves
Ball Valves
Blocked & Beed Valves
Gate Valves
Lubricated Plug Valves
Strainers
Relief Valves
Globe Valves

Back Flow Preventor
Steam Traps
Low Pressure Valves
Check Valves - Pressure S
Dual Plate Check Valves
SS/CS Pipe Fittings
Branch Connections

Refrigeration and Air Conditioning

Thermostatic Expansion Valves
Solenoid Valves
Pressure and temperature regulating valves
Electronic Controls
Solenoid coils
Pressure switches and thermostats
ICF multifunction valves
Filter driers
Shut-off valves
Check valves
Internal heat exchangers
Regulating valves
Oil separators
Strainers
Contactors & Motor Starters
Controls Accessories and Spare Parts
